"Plan to Plant Another Tree"

August 1927

Trees

I think that I shall never see
A poem lovely as a tree.

A tree whose hungry mouth is prest
Against the earth's sweet flowing breast:

A tree that looks at God all day,
And lifts her leafy arms to pray;

A tree that may in summer wear
A nest of robins in her hair;

Upon whose bosom snow has lain;
Who intimately lives with rain.

Poems are made by fools like me,
But only God can make a tree.

JOYCE KILMER.

Reasonable service charge will be made when customers wish to have material planted by nursery.

No stock is guaranteed to grow for purchasers—the stock is in excellent healthy condition when dug from nursery rows—the matter of growing when planted depends upon the care and consideration given after planting. We would rather not sell items if they are not to be cared for. Care for the trees and shrubs and think of them as “a life” and they will give you greater joy.

We are glad to help plan your planting. Our representative will call on request.

Inspection of the nursery is invited at all times. Trees or shrubs may be tagged for future planting.
